* Annual costs for a domain (internet address):

CHF 15/year for .ch, .li, and .eu domains

CHF 25/year for .com, .biz, .org, .net, and .info domains

Prices are adjusted annually depending on the country and domain extensions.

****** One of the following premium certificates can be installed:

Domain Validation (PositiveSSL, PositiveSSL Wildcard, InstantSSL),

Organization Validation (InstantSSL, InstantSSL Wildcard, PositiveSSL EV)

******* For business customers, use of the Webhosting service is intended for normal business customer use only; for residential customers, use of the service is intended for normal residential customer use only. Use of the Webhosting service for data storage does not fall within normal use for business or residential customers. Should there be indications that the customer is using the service for the purpose of storing extensive data, Swisscom reserves the right to curtail or restrict the service provision at any time, to terminate the contract or to take other appropriate action. Furthermore, the customer is not authorised to make the services purchased available to third parties (either for free or for a charge).

All services are billed annually
